June 12, 2017

Dear Ladies of the Lake,

Thank you for your patience as I coordinate the calendar for this summer! If you are familiar with the close of the school year, you know how busy it can be and how many loose ends there are to tie up in June. Some of the lake activities will be underway before my school year even ends on June 28th!!! Jackie Matthews has graciously agreed to guide us through the opening of the summer 2017 season.

I hope the winter was as peaceful as can be. It feels like the New Hampshire winter just ended yesterday, what cold and trying weather we have had! Hopefully it was a little less harsh for you wherever you call home during the winter months! I am surely looking forward to a warm, sunny summer with family and friends at the Lake!

I'd like to extend sincere thanks to everyone that chaired off-season events such as Lake Halloween at the Clubhouse and the Easter Egg Hunt at the beach, to make sure fun family activities continue after the summer season.

A very big thank you goes to Margaret Janik and Christy Ann Silecchia-Ferrone for taking over the Lake Wallkill merchandise and apparel order, and many thanks to Janet Smith for helping them make a smooth transition! Margaret and Christy have ordered some wonderful new items to supplement the tee shirts and sweatshirts, I can't wait to see it all in person! They are planning their first sale on Sunday of Fourth of July weekend, coinciding with the Community Barbecue. Stay tuned for more details.

A few notes about the start of the summer season:

Beaches officially open and lifeguards will be on duty starting June 24th, many thanks to Terrence Brill for coordinating the lifeguards and getting all the paperwork in order for a timely startup at the waterfront! Beach and lane coverage times are not set in stone yet, but will be similar to prior years. Stay tuned for more information.

Gloria Bolino will be running the Club Store, the hours are Monday through Saturday 9:30-10:30 am & 7-9 pm and Sunday 7-9pm. Thank you Gloria and her family!

Look for your new board members this summer! Thank you so much to Jackie Matthews, Karen McLean, Lillian DeSimon, Kathy Brill, and AnnaMarie D'Andrea for stepping up to fill board positions. We hope to make it a productive and eventful summer with friendship, children, and community as our focus.

Our first meeting is scheduled for Saturday July 1st at 11:30 following the management meeting. Look for Jackie Matthews to head this meeting, as the Olsen's will be out of town for a family commitment.

Until we see each other, be safe and well, and watch out for sprinkles.

Sincerely,

Bernadette Olsen

Bernadette Olsen

President, Ladies of the Lake 2017
