MINUTES OF MEETING

Executive session called to order by the President at 9:31 am.

Lawsuit – 6/27 formal mediation. Retired judge cost split between Vernon and communities. Session spent on how cost of equipment should be calculated in the formula. Next session 7/10. Whole point of mediation is before next step which would be deposition. Based on number of people, lawyers estimate that phase would be upwards of \$300k. We did go back and ask attorneys if there was something they could do with fees. Across board 10% discount and 25% would be deferred until completion.

Trustee work sessions re: rental. Bob in March look to get a group together around policy. Trustees are now taking this over. Got call from Vernon searching for test for water system. Someone has registered house with the town for rental. Sent results form opening of system. Inquired if we would be interested in sharing our list of rentals with them. 3rd party that scan websites for rental and if see on not registered, send a violation letter. Want to look into what the process will be and what impact would be. 1 property on Birch sending letter to. Sending letter to people that are advertising on air bnb, since Security – heard complaint about the security guard following the kids around. Should be in the booth and

then patrol/ In booth until 10:30. Then go to the beach and club. Lynn to address with Comet.
