Treasurers Report:

Bill Thompson, Treasurer reported: As of 6/30/16 – fund balance of \$234,000 less liabilities of \$33,000 equals Community funds available of \$204,091.

Budget based on 280 dues paying members. Currently have 265 members in good standing, 55 MPS.

Budget – legal fees exceeded as previously discussed. Bank fees need to be reconciled due to a bounced check from a member.

Kelly Law = P/O for 33k was approved.

Bob Smith commented that we are currently carrying 43 MPS, 12 added on July 1st. This leaves a

15k hole in the budget. 12 have until 8/1 to pay and will then be turned over to Dolan and Dolan for collection. Have to take a hard look at the budget for 2017 on the income side. Have fallen short on number of dues paying members and in light of legal fees, problem for how we set dues for 2017. Received check from Dolan and Dolan for 2 properties totaling 17,000. 2,000 recent, 15,000 in arrears. Half way to budget for arrears dues.

Carmel Greico suggested we look at the timeframe for the notice sent prior to collections. Currently give 30 days post 7/1. Will take it up at the November meeting.
