

Minutes for Ladies of the Lake Meeting
Thursday July 17, 2025

MEETING CALLED TO ORDER 7:10PM

FLAG SALUTE

WELCOME

OLD BUSINESS (Nancy Woeckener):

- Porta-Potties - At the July 1st meeting, several members expressed the desire for the bathrooms at both the beach and the clubhouse to be more accessible. A suggestion was to rent Porta-Potties. After discussion during and following the meeting, it was proposed that, if permitted, a porta-potty could be placed at the clubhouse for the summer to meet this need. It was decided that Given the number of summer activities taking place outside of regular clubhouse hours—such as Sports Club, Jazzbells, Broadway Babies, Devil Stick practices, as well as basketball and volleyball games—the need for accessible restroom facilities is clear. Management confirmed that porta-potties are allowed on the premises during the summer, However, Management has stated that they are unable to cover the cost at this time. A vote was taken at the Tuesday 7/8 Card party (38 Yes, 4 No votes) to fund a single handicap-accessible porta-potty at the clubhouse for one month (28 days). The Porta-Potty came in on Thursday 7/10 and would be in place for Regatta. It is located on the side of the Clubhouse facing the basketball court and will be accessible daily from 9:00 AM to 9:00 PM. Gloria has agreed to lock and unlock the porta-potty. The cost is \$180. It will be cleaned once per week.
