#### **OLD BUSINESS – Presented by Nancy Woeckener:**

- Halloween 2025 Report- Jessica and Brian did a great job. I believe they are willing to do Halloween again.
- Easter Egg Hunt 2025 Report – Jenna Mackesy did a great job, approx. 85 children attended. Up for grabs 2027. Came in right at budget.
- Garden Club Report – Lake looks amazing. Janet Smith thanked LOL and management for donating flowers. Always seeking new members to adopt a garden bed around LWK.
- LOL Stereo System Gift - A special thank you to Bob MacLean and Tommy MacLean. Bob and I spoke about what we wanted. Bob researched and purchased the system. Him and Tommy installed the system. There were some complications, but they worked it all out. Bob also took the old ones down and they are on a cart with wheels. They are available to use at the beach or outside the clubhouse. It has 6 speakers in Clubhouse and 2 on back porch. Can split sound inside/outside as needed.
- HVAC – Shout out to Ron Doran, fixed it for grossly under anticipated budget.

#### **NEW BUSINESS:**

- *Treasurer- Debra Streisel*
  - Opening Balance – Just over \$29,000
  - Items spent - Halloween, Easter, Trailer, Stereo system not out yet.
- *Vice President - Karen Shaw*

- Regatta 2025- the Poster Board for Regatta Sign-ups is in the back. Please sign up.
- There have been a few changes. The sale of food, apparel and raffles will not begin until 12noon. We eliminated 11-12 time slot. Too many people are still at the clubhouse and we felt that we were making people leave the clubhouse before those activities were done.
- Katie and Blanka did a great job finding kids to lead our Regatta performances.
- Regatta practices for Aquacade, Broadway Babies, Juggling Jokers, and Jazzbells begin tomorrow
- This year all performers will celebrate their hard work at a group pizza party held at the clubhouse on the Thursday before Regatta. In the past, parents had to host the performers and pay for the pizza. Some parents had to host 2 parties.
