WELCOME

OLD BUSINESS - Presented by LOL President, Nancy Woeckener:

- July 4th Celebration - a crazy weekend with the weather
 - Men's BBQ - called off in the middle with the weather
 - 250 Cards - not very successful yet. Brought them to the card party this week. I will try to get them to other functions as well.
 - Pancake Breakfast - they put it together with no power.
 - Color Run - went off, could use more donations for Vernon Food Pantry, Will be collecting at Talent Show
 - Parade - never had the parade, but we did have an impromptu game night for the kids and Kiersten and Kyle cooked up at least 100 funnel cakes. Kids were really well behaved!!
- Card Parties
 - Jenna - Beach \$1,170
 - Newbies - Gloria \$1,758
 - Next Card Party is Tuesday, Grassie Lassie Jrs
- Swim Team Report - Kerri Summa is away. Our first swim meet had to be rescheduled due to the weather. As of right now, the meet is rescheduled for Thursday July 30 - the Thursday before Regatta. If that is the date, we will move the Regatta Performers Pizza Party to Wednesday, August 29 from 5:00-6:00 PM before Zingo. Swim Meet at Awosting was great, LWK won - next swim meet is away at High Crest, tomorrow
- Teen-Canteen (including Regatta Groups): Teen Canteen had foam party that was really fun, for teens from 9-10 PM. They have had two successful burger burns. Regatta Performance practices are underway.
- Happy Hour - was so successful. So many people came out. Gloria sold all of her dinner food and ice cream was a big hit with the kids. Many new families came which was wonderful to see.
- Zingo - Zingo is going great, lots of kids. We are replenishing prizes, collecting donations (including socks?)
- Yoga - moved to 10am on Mondays - More people are attending which is great.
- Water Aerobics - going great. Adults and kids love it. Wednesdays at 2PM - only 30 minutes
- Story Hour - big crowd. Learning the songs for Regatta
- Mahjong - all levels of players have been attending - Thursday Mornings, very fun and all levels of difficulty and experience welcome

- Corresponding Secretary Report - Terry
 - Still writing letters, please pass along any good/bad news for Terry to acknowledge
 - Ladies Night Out - toying with the idea of Medieval Times - August 20th, nothing is set in stone but we will try to check pricing.
- Nominating Committee for Next Year's Officers
- 9-11 Tree planted - donated by Sean Kumpf and his family. There will be a plaque that explains the tree and says it is dedicated to our past, present and future first responders. It has been planted at the Clubhouse because the upkeep closer to the beach would be problematic in the winter. It will be a large tree (70+

feet) and plans to “shade” the future. LOL approved to pay for a plaque last summer, which is in the works.

- Tables - I would like to propose we purchase some additional tables to be stored at the beach. At the moment, there are only about 6-7 tables at the beach. We now have our metal outside chairs stored in a trailer, so moving them from the club to the beach is easy. This past weekend, when we had 3 different events, we still had to go to the club to get tables. Since we are having more events at the beach, I would like to propose we purchase 8-10 more tables to be stored at the beach. These tables would also come in handy with Regatta, when it always seem like we could use an additional table or 2.
 - Sam’s Club - \$60-70
 - Walmart - \$50 - 60
 - Motion: Peggy Merck - Makes motion to purchase 10 new tables for LOL. Move older tables to lifeguard shed, and new ones to stay at clubhouse
 - Motion second: Megan Matthews
 - Motion Passes
